

0201BN560J500YT

Part Number: [0201BN560J500YT](#)

Manufacturer: [Knowles NOVACAP](#)

Description: MLCC 56PF 5% 50V 0201 COG TIN/LE

Data sheet:  [MLCC Catalog](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                        | 56pF ±5% 50V Ceramic Capacitor C0G, NP0 0201 (0603 Metric) | Capacitance                     | 56pF                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                | General Purpose                                            |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles NOVACAP series electronic components. We have 83515 pieces of Knowles NOVACAP 0201BN560J500YT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                            |                                 |                                       |
