

0505J0635P60DQT

Part Number: 0505J0635P60DQT

Manufacturer Knowles Syfer

Description CAP CER 5.6PF 63V C0G/NP0 0505

Data sheet:  [High Q Series](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 5.6pF ±0.5pF 63V Ceramic Capacitor C0G, NP0 0505 (1313 Metric) | Capacitance                     | 5.6pF                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | General Purpose                                                |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 141664 pieces of Knowles Syfer 0505J0635P60DQT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                |                                 |                                       |
