

0603J025P470CFR

Part Number:

0603J025P470CFR

Manufacturer

Knowles Syfer

Description

CAP CER 0.47PF 25V C0G/NP0 0603

Data sheet:

 [MLCC High Reliability Datasheet](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 0.47pF ±0.25pF 25V Ceramic Capacitor C0G, NP0 0603 (1608 Metric) | Capacitance                     | 0.47pF                                          |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | High Reliability                                                 |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 264851 pieces of Knowles Syfer 0603J025P470CFR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                  |                                 |                                                 |
