

0603J0502P70DFT

Part Number: 0603J0502P70DFT

Manufacturer Knowles Syfer

Description CAP CER 2.7PF 50V C0G/NP0 0603

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 2.7pF ±0.5pF 50V Ceramic Capacitor C0G, NP0 0603 (1608 Metric) |                                 | Capacitance                                     | 2.7pF |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | High Reliability                                               |                                 |                                                 |       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 264461 pieces of Knowles Syfer 0603J0502P70DFT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                |                                 |                                                 |       |
