

0603J0635P10DQT

Part Number:

0603J0635P10DQT

Manufacturer

Knowles Syfer

Description

CAP CER 5.1PF 63V C0G/NP0 0603

Data sheet:

 [High Q Series](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 5.1pF ±0.5pF 63V Ceramic Capacitor C0G, NP0 0603 (1608 Metric) | Capacitance                     | 5.1pF                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | General Purpose                                                |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 248627 pieces of Knowles Syfer 0603J0635P10DQT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                |                                 |                                       |
