

0603J2000330GUT

Part Number: 0603J2000330GUT

Manufacturer Knowles Syfer

Description CAP CER 33PF 200V C0G/NP0 0603

Data sheet:  [Ultra-low ESR, U Range](#)

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 33pF ±2% 200V Ceramic Capacitor C0G, NP0 0603 (1608 Metric) | Capacitance                     | 33pF                                   |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | RF, Microwave, High Frequency                               |                                 |                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 71363 pieces of Knowles Syfer 0603J2000330GUT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                             |                                 |                                        |
