

0603J2006P20DUT

Part Number: 0603J2006P20DUT

Manufacturer Knowles Syfer

Description CAP CER 6.2PF 200V C0G/NP0 0603

Data sheet:  [Ultra-low ESR, U Range](#)

RoHs Status: Lead free / RoHS Compliant

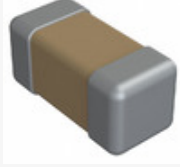

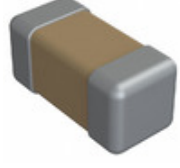

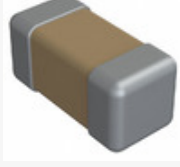

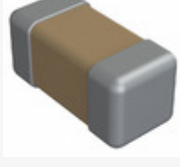

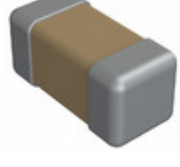

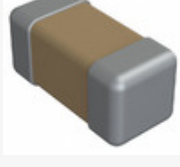

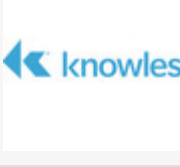

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 6.2pF ±0.5pF 200V Ceramic Capacitor C0G, NP0 0603 (1608 Metric) | Capacitance                     | 6.2pF                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | RF, Microwave, High Frequency                                   |                                 |                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 187589 pieces of Knowles Syfer 0603J2006P20DUT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                 |                                 |                                        |
