

0603Y0165P60CFT

Part Number: 0603Y0165P60CFT

Manufacturer Knowles Syfer

Description CAP CER 5.6PF 16V C0G/NP0 0603

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHS Status: Lead free / RoHS Compliant

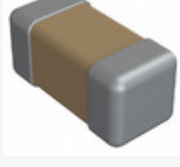

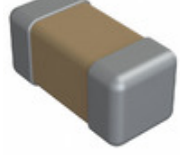

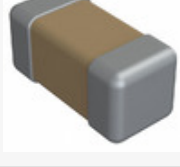

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 5.6pF ±0.25pF 16V Ceramic Capacitor C0G, NP0 0603 (1608 Metric) | Capacitance                     | 5.6pF                                           |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | High Reliability, Boardflex Sensitive                           |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 226059 pieces of Knowles Syfer 0603Y0165P60CFT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                 |                                 |                                                 |
