

0805J0633P30DCT

Part Number: 0805J0633P30DCT

Manufacturer Knowles Syfer

Description CAP CER 3.3PF 63V C0G/NP0 0805

Data sheet:  MLCC Capacitor Datasheet  MLCC Catalog

RoHs Status: Lead free / RoHS Compliant

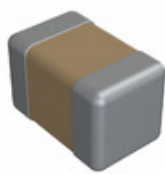

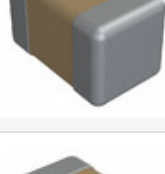

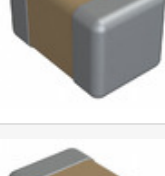

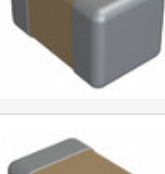

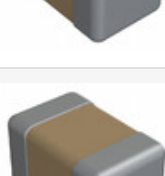

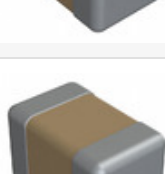

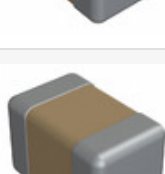

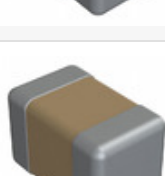

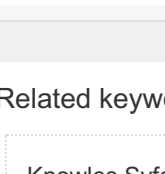

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 3.3pF ±0.5pF 63V Ceramic Capacitor C0G, NP0 (1B) 0805 (2012 Metric) | Capacitance                     | 3.3pF                                                                    |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | General Purpose                                                     |                                 |                                                                          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 372634 pieces of Knowles Syfer 0805J0633P30DCT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                     |                                 |                                                                          |
