

0805J1000560MCRE03

Part Number: 0805J1000560MCRE03

Manufacturer Knowles Syfer

Description CAP CER 56PF 100V C0G/NP0 0805

Data sheet:  E03 Type

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                       | 56pF ±20% 100V Ceramic Capacitor C0G, NP0 (1B) 0805 (2012 Metric) | Capacitance                     | 56pF                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                               | Bypass, Decoupling                                                |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 96942 pieces of Knowles Syfer 0805J1000560MCRE03 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                   |                                 |                                       |
