

0805J1007P50BQT

**Part Number:** 0805J1007P50BQT

**Manufacturer:** Knowles Syfer

**Description:** CAP CER 7.5PF 100V C0G/NP0 0805

**Data sheet:**  [High Q Series](#)

**RoHS Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 7.5pF ±0.1pF 100V Ceramic Capacitor C0G, NP0 0805 (2012 Metric) | Capacitance                     | 7.5pF                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | General Purpose                                                 |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 56349 pieces of Knowles Syfer 0805J1007P50BQT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                 |                                 |                                       |
