

0805J6304P70DCT

Part Number: 0805J6304P70DCT

Manufacturer Knowles Syfer

Description CAP CER 4.7PF 630V C0G/NP0 0805

Data sheet:  MLCC Capacitor Datasheet  MLCC Catalog

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

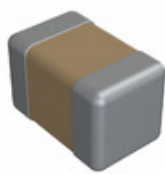

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Tolerance                        | ±0.5pF                                                               | Thickness (Max)                 | 0.051" (1.30mm)                                                          |
| Temperature Coefficient          | C0G, NP0 (1B)                                                        | Size / Dimension                | 0.079" L x 0.049" W (2.00mm x 1.25mm)                                    |
| Series                           | -                                                                    | Ratings                         | -                                                                        |
| Packaging                        | Tape & Reel (TR)                                                     | Package / Case                  | 0805 (2012 Metric)                                                       |
| Operating Temperature            | -55°C ~ 125°C                                                        | Mounting Type                   | Surface Mount, MLCC                                                      |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                        | Manufacturer Standard Lead Time | 8 Weeks                                                                  |
| Lead Style                       | -                                                                    | Lead Spacing                    | -                                                                        |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                           | Height - Seated (Max)           | -                                                                        |
| Features                         | -                                                                    | Failure Rate                    | -                                                                        |
| Detailed Description             | 4.7pF ±0.5pF 630V Ceramic Capacitor C0G, NP0 (1B) 0805 (2012 Metric) | Capacitance                     | 4.7pF                                                                    |
| Applications                     | General Purpose                                                      |                                 |                                                                          |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 373047 pieces of Knowles Syfer 0805J6304P70DCT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
