

0805Y2500110KQT

Part Number:

0805Y2500110KQT

Manufacturer

Knowles Syfer

Description

CAP CER 11PF 250V C0G/NP0 0805

Data sheet:

 [High Q Series](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

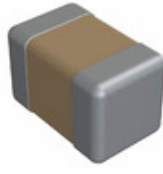

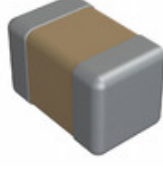

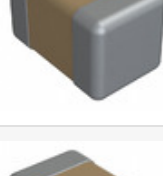

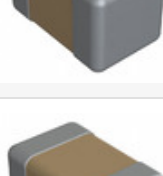

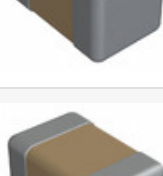

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 11pF ±10% 250V Ceramic Capacitor C0G, NP0 (1B) 0805 (2012 Metric) | Capacitance                     | 11pF                                  |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | RF, Microwave, High Frequency, Boardflex Sensitive                |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 166618 pieces of Knowles Syfer 0805Y2500110KQT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                   |                                 |                                       |
