

Two green cables are shown against a white background. One cable is positioned horizontally, and the other is positioned vertically, overlapping the first. A metal connector, likely a BNC or similar type, is attached to the end of the horizontal cable. The connector has a silver-colored metal body with a central pin and a locking mechanism. The green cables have a braided outer sheath.

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Affinity Medical Technologies - a Molex company series electronic components. We have 58778 pieces of Affinity Medical Technologies - a Molex company 0845250009-18-G9 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
