

100A2R2BT150XT

**Part Number:** [100A2R2BT150XT](#)

**Manufacturer:** [American Technical Ceramics](#)

**Description** CAP CER 2.2PF 150V P90 0505

**Data sheet:**  [100A Series](#)

**RoHs Status:** Lead free / RoHS Compliant

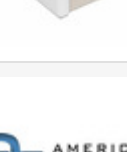

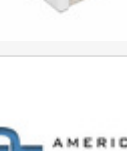

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Failure Rate                                                                                                                                                                                                                                                                                                                                                                                                                        | -                             | Detailed Description             | 2.2pF ±0.1pF 150V Ceramic Capacitor P90 0505 (1313 Metric) |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                         | 2.2pF                         | Applications                     | RF, Microwave, High Frequency, Bypass, Decoupling          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all American Technical Ceramics series electronic components. We have 57887 pieces of American Technical Ceramics 100A2R2BT150XT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                               |                                  |                                                            |
