

100B3R3BW500XT

AMERICAN  
TECHNICAL  
CERAMICS

Part Number: 100B3R3BW500XT

Manufacturer: American Technical Ceramics

Description: CAP CER 3.3PF 500V P90 1111

Data sheet:  100B Series

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 3.3pF                                                  | Applications                     | RF, Microwave, High Frequency, Bypass, Decoupling          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all American Technical Ceramics series electronic components. We have 48359 pieces of American Technical Ceramics 100B3R3BW500XT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                        |                                  |                                                            |
