Buy 10AX115S2F45I2SGES with confidence from  
Component-World.HK, 1 Year Warranty

**Part Number:** 10AX115S2F45I2SGES

**Manufacturer:** [Altera \(Intel® Programmable Solutions Group\)](#)

**Description:** IC FPGA 624 I/O 1932FCBGA

**Data sheet:**  [Arria 10 Device Overview](#)  
 [Arria 10 Device Datasheet](#)  
 [Virtual JTAG Megafuntion User Guide](#)  
 [Arria 10 Device Overview](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Lead Free Status / RoHS Status                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | Lead free / RoHS Compliant                |                                  |                                                                                                                                                                                          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Altera (Intel® Programmable Solutions Group) series electronic components. We have 9 pieces of Altera (Intel® Programmable Solutions Group) 10AX115S2F45I2SGES in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                           |                                  |                                                                                                                                                                                          |
