

1111Y2501P20DQT

Part Number:

1111Y2501P20DQT

Manufacturer

Knowles Syfer

Description

CAP CER 1.2PF 250V C0G/NP0 1111

Data sheet:

 [High Q Series](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 1.2pF ±0.5pF 250V Ceramic Capacitor C0G, NP0 (1B) 1111 (2828 Metric) | Capacitance                     | 1.2pF                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | RF, Microwave, High Frequency, Boardflex Sensitive                   |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 74703 pieces of Knowles Syfer 1111Y2501P20DQT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                      |                                 |                                       |
