

1206J0160330KFT

Part Number: 1206J0160330KFT

Manufacturer Knowles Syfer

Description CAP CER 33PF 16V C0G/NP0 1206

Data sheet:  MLCC High Reliability Datasheet

RoHs Status: Lead free / RoHS Compliant

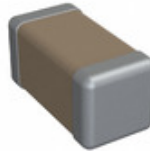

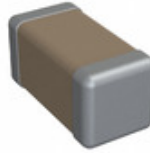

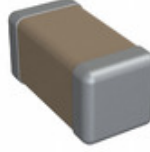

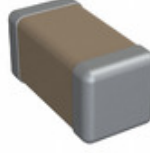

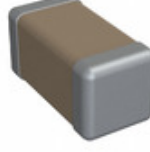

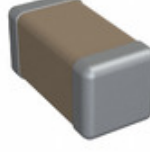

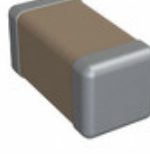

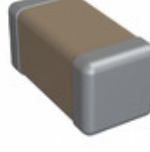

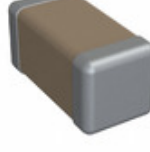

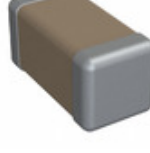

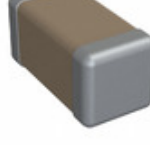

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 33pF ±10% 16V Ceramic Capacitor C0G, NP0 1206 (3216 Metric) | Capacitance                     | 33pF                                            |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | High Reliability                                            |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 196354 pieces of Knowles Syfer 1206J0160330KFT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                             |                                 |                                                 |
