

1206J0160680JCR

Part Number: 1206J0160680JCR

Manufacturer Knowles Syfer

Description CAP CER 68PF 16V C0G/NP0 1206

Data sheet:  [MLCC Capacitor Datasheet](#)  
 [MLCC Catalog](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                         | <a href="#">Capacitors</a>                                      | Voltage - Rated                 | 16V                                                                      |
| Tolerance                        | ±5%                                                             | Thickness (Max)                 | 0.063" (1.60mm)                                                          |
| Temperature Coefficient          | C0G, NP0 (1B)                                                   | Size / Dimension                | 0.126" L x 0.063" W (3.20mm x 1.60mm)                                    |
| Series                           | -                                                               | Ratings                         | -                                                                        |
| Packaging                        | Tape & Reel (TR)                                                | Package / Case                  | 1206 (3216 Metric)                                                       |
| Operating Temperature            | -55°C ~ 125°C                                                   | Mounting Type                   | Surface Mount, MLCC                                                      |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                   | Manufacturer Standard Lead Time | 8 Weeks                                                                  |
| Lead Style                       | -                                                               | Lead Spacing                    | -                                                                        |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                      | Height - Seated (Max)           | -                                                                        |
| Features                         | -                                                               | Failure Rate                    | -                                                                        |
| Detailed Description             | 68pF ±5% 16V Ceramic Capacitor C0G, NP0 (1B) 1206 (3216 Metric) | Capacitance                     | 68pF                                                                     |
| Applications                     | General Purpose                                                 |                                 |                                                                          |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 245669 pieces of Knowles Syfer 1206J0160680JCR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
