

1206J0630223KDR

Part Number: 1206J0630223KDR

Manufacturer Knowles Syfer

Description CAP CER 0.022UF 63V X7R 1206

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 0.022µF ±10% 63V Ceramic Capacitor X7R 1206 (3216 Metric) | Capacitance                     | 0.022µF                                         |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | High Reliability                                          |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 229810 pieces of Knowles Syfer 1206J0630223KDR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                           |                                 |                                                 |
