

1206J1K00100JFR

Part Number: 1206J1K00100JFR

Manufacturer Knowles Syfer

Description CAP CER 10PF 1KV C0G/NP0 1206

Data sheet:  [MLCC Series, High Reliability](#)

RoHs Status: Lead free / RoHS Compliant

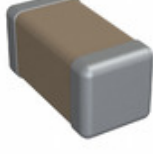

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Failure Rate                                                                                                                                                                                                                                                                                                                                                                                                                                             | -                                     | Expanded Description            | 10pF ±5% 1000V (1kV) Ceramic Capacitor C0G, NP0 1206 (3216 Metric) |
| ESR (Equivalent Series Resistance)                                                                                                                                                                                                                                                                                                                                                                                                                       | ±5%                                   | Description                     | CAP CER 10PF 1KV C0G/NP0 1206                                      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 288204 pieces of Knowles Syfer 1206J1K00100JFR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                       |                                 |                                                                    |
