

1206J1K00152MDR

**Part Number:** 1206J1K00152MDR

**Manufacturer:** Knowles Syfer

**Description:** CAP CER 1500PF 1KV X7R 1206

**Data sheet:**  [MLCC High Reliability Datasheet](#)

**RoHs Status:** Lead free / RoHS Compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 1500pF ±20% 1000V (1kV) Ceramic Capacitor X7R 1206 (3216 Metric) | Capacitance                     | 1500pF                                          |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | High Reliability                                                 |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 193363 pieces of Knowles Syfer 1206J1K00152MDR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                  |                                 |                                                 |
