

1206J1K07P50CQT

Part Number: 1206J1K07P50CQT

Manufacturer Knowles Syfer

Description CAP CER 7.5PF 1KV C0G/NP0 1206

Data sheet:  [High Q Series](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 7.5pF ±0.25pF 1000V (1kV) Ceramic Capacitor C0G, NP0 1206 (3216 Metric) |                                 | Capacitance 7.5pF                     |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | General Purpose                                                         |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 78582 pieces of Knowles Syfer 1206J1K07P50CQT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                         |                                 |                                       |
