

1206J2002P20CFT

Part Number: 1206J2002P20CFT

Manufacturer Knowles Syfer

Description CAP CER 2.2PF 200V C0G/NP0 1206

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                      | 2.2pF ±0.25pF 200V Ceramic Capacitor C0G, NP0 1206 (3216 Metric) | Capacitance                     | 2.2pF                                           |
| Applications                                                                                                                                                                                                                                                                                                                                                                                              | High Reliability                                                 |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 130902 pieces of Knowles Syfer 1206J2002P20CFT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                                  |                                 |                                                 |
