

1206Y1K00332MDR

Part Number: 1206Y1K00332MDR

Manufacturer Knowles Syfer

Description CAP CER 3300PF 1KV X7R 1206

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

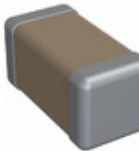

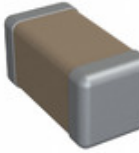

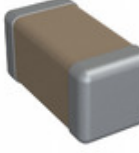

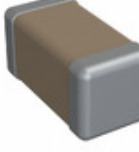

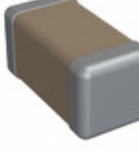

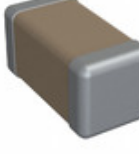

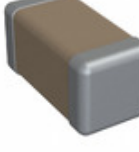

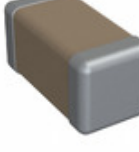

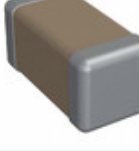

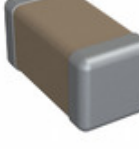

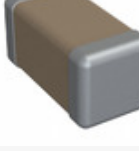

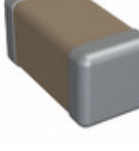

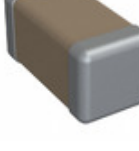

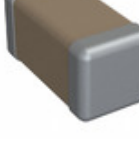

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                     | 3300pF ±20% 1000V (1kV) Ceramic Capacitor X7R 1206 (3216 Metric) | Capacitance                     | 3300pF                                          |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                             | High Reliability, Boardflex Sensitive                            |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 147955 pieces of Knowles Syfer 1206Y1K00332MDR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                  |                                 |                                                 |
