

1210E822K251KHT

Part Number:

1210E822K251KHT

Manufacturer

Knowles NOVACAP

Description

CAP CER 8200PF 250V 1210

Data sheet:

MLCC Catalog

High Temperature Chip, Class II

RoHs Status:

Contains lead / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Description                     | CAP CER 8200PF 250V 1210   | Lead Free Status / RoHS Status | Contains lead / RoHS Compliant                                                  |
| Quantity Available              | 77796 pcs                  | Data sheet                     | <a href="#">MLCC Catalog</a><br><a href="#">High Temperature Chip, Class II</a> |
| Category                        | <a href="#">Capacitors</a> | Voltage - Rated                | 250V                                                                            |
| Tolerance                       | ±10%                       | Thickness (Max)                | 0.065" (1.65mm)                                                                 |
| Temperature Coefficient         | -                          | Size / Dimension               | 0.125" L x 0.060" W (3.18mm x 1.52mm)                                           |
| Series                          | -                          | Ratings                        | -                                                                               |
| Packaging                       | Tape & Reel (TR)           | Package / Case                 | 1210 (3225 Metric)                                                              |
| Operating Temperature           | -55°C ~ 200°C              | Mounting Type                  | Surface Mount, MLCC                                                             |
| Manufacturer Standard Lead Time | 11 Weeks                   | Lead Style                     | -                                                                               |
| Lead Spacing                    | -                          | Lead Free Status / RoHS Status | Contains lead / RoHS Compliant                                                  |
| Height - Seated (Max)           | -                          | Features                       | High Temperature                                                                |
| Failure Rate                    | -                          | Detailed Description           | 8200pF ±10% 250V Ceramic Capacitor 1210 (3225 Metric)                           |
| Capacitance                     | 8200pF                     | Applications                   | General Purpose                                                                 |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles NOVACAP series electronic components. We have 77796 pieces of Knowles NOVACAP 1210E822K251KHT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
