

1210J0630272JAT

Part Number: 1210J0630272JAT

Manufacturer Knowles Syfer

Description CAP CER 2700PF 63V C0G/NP0 1210

Data sheet:  [AEC-Q200 Automotive Datasheet](#)

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 2700pF ±5% 63V Ceramic Capacitor C0G, NP0 (1B) 1210 (3225 Metric) | Capacitance                     | 2700pF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | Automotive                                                        |                                 |                                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 69506 pieces of Knowles Syfer 1210J0630272JAT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                   |                                 |                                               |
