

1210J1000330KFT

Part Number: 1210J1000330KFT

Manufacturer Knowles Syfer

Description CAP CER 33PF 100V C0G/NP0 1210

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 33pF ±10% 100V Ceramic Capacitor C0G, NP0 1210 (3225 Metric) | Capacitance                     | 33pF                                            |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | High Reliability                                             |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 85203 pieces of Knowles Syfer 1210J1000330KFT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                              |                                 |                                                 |
