

1210J5000680FFT

Part Number:

1210J5000680FFT

Manufacturer

Knowles Syfer

Description

CAP CER 68PF 500V C0G/NP0 1210

Data sheet:

 [MLCC High Reliability Datasheet](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 68pF ±1% 500V Ceramic Capacitor C0G, NP0 1210 (3225 Metric) | Capacitance                     | 68pF                                            |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | High Reliability                                            |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 57827 pieces of Knowles Syfer 1210J5000680FFT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                             |                                 |                                                 |
