

1210Y5000273JET

Part Number: 1210Y5000273JET

Manufacturer Knowles Syfer

Description CAP CER 0.027UF 500V X7R 1210

Data sheet:  [AEC-Q200 Automotive Datasheet](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 0.027µF ±5% 500V Ceramic Capacitor X7R (2R1) 1210 (3225 Metric) | Capacitance                     | 0.027µF                                       |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | Automotive, Boardflex Sensitive                                 |                                 |                                               |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 85094 pieces of Knowles Syfer 1210Y5000273JET in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                 |                                 |                                               |
