

134D227X9100K6

Part Number: 134D227X9100K6

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP TANT 220UF 100V 10% AXIAL

Data sheet:  134D

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| ESR (Equivalent Series Resistance)                                                                                                                                                                                                                                                                                                                                                                                                  | 1.6 Ohm                                  | Detailed Description             | 220µF Hermetically Sealed Tantalum Capacitors 100V Axial, Can 1.6 Ohm |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                         | 220µF                                    |                                  |                                                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 633 pieces of Electro-Films (EFI) / Vishay 134D227X9100K6 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                          |                                  |                                                                       |
