

135D127X9100K2

**Part Number:** 135D127X9100K2

**Manufacturer:** Electro-Films (EFI) / Vishay

**Description:** CAP TANT 120UF 100V 10% AXIAL

**Data sheet:**  135D Series

**RoHs Status:** Contains lead / RoHS non-compliant

**Ship From:** Hong Kong

**Shipment Way:** DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 120μF Hermetically Sealed Tantalum Capacitors 100V Axial 2.7 Ohm | Capacitance                        | 120μF                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 1045 pieces of Electro-Films (EFI) / Vishay 135D127X9100K2 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                  |                                    |                                              |
