

135D307X9030K2

Part Number: 135D307X9030K2

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP TANT 300UF 30V 10% AXIAL

Data sheet:  135D Series

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 300μF Hermetically Sealed Tantalum Capacitors 30V Axial 1.4 Ohm | Capacitance                        | 300μF                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 1526 pieces of Electro-Films (EFI) / Vishay 135D307X9030K2 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                 |                                    |                                              |
