

150D154X0050A2B

Part Number:

150D154X0050A2B

Manufacturer

Electro-Films (EFI) / Vishay

Description

CAP TANT 0.15UF 20% 50V AXIAL

Data sheet:

 [150D TANTALEX™ Series, Axial-Lead](#)

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | 0.15µF Hermetically Sealed Tantalum Capacitors 50V Axial | Capacitance                        | 0.15µF                                            |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 47650 pieces of Electro-Films (EFI) / Vishay 150D154X0050A2B in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                          |                                    |                                                   |
