

150D156X0060S2GE3

Part Number: 150D156X0060S2GE3

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP TANT 15UF 20% 60V AXIAL

Data sheet:  150D TANTALEX™ Series, Axial-Lead

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| ESR (Equivalent Series Resistance)                                                                                                                                                                                                                                                                                                                                                                                                                                                     | -                                        | Detailed Description           | 15µF Hermetically Sealed Tantalum Capacitors 60V Axial |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | 15µF                                     |                                |                                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 5298 pieces of Electro-Films (EFI) / Vishay 150D156X0060S2GE3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                          |                                |                                                        |
