

160334J100E-F

CORNELL  
DUBILIER

ENERGIZING IDEAS

Part Number:

160334J100E-F

Manufacturer:

Cornell Dubilier Electronics

Description:

CAP FILM 0.33UF 5% 100VDC RADIAL

Data sheet:

 160 Type

RoHs Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Features                                                                                                                                                                                                                                                                                                                                                                                                                              | -                                                           | Dielectric Material              | Polyester, Metallized                  |
| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                  | 0.33µF Film Capacitor 63V 100V Polyester, Metallized Radial | Capacitance                      | 0.33µF                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                          | General Purpose                                             |                                  |                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 141199 pieces of Cornell Dubilier Electronics 160334J100E-F in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                                             |                                  |                                        |
