

168104J50A-F

CORNELL  
DUBILIER

Part Number: 168104J50A-F

Manufacturer: [Cornell Dubilier Electronics](#)

Description: CAP FILM 0.1UF 5% 50VDC RADIAL

Data sheet:  [168,185 Type](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 0.1µF Film Capacitor 30V 50V Polyester, Metallized Radial | Capacitance                      | 0.1µF                                        |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | General Purpose                                           |                                  |                                              |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Cornell Dubilier Electronics series electronic components. We have 173054 pieces of Cornell Dubilier Electronics 168104J50A-F in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                           |                                  |                                              |
