

173D107X0020YW

Part Number: 173D107X0020YW

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP TANT 100UF 20V 20% AXIAL

Data sheet:  173D Series Datasheet

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 100µF Molded Tantalum Capacitors 20V Axial | Capacitance                        | 100µF                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 18083 pieces of Electro-Films (EFI) / Vishay 173D107X0020YW in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                            |                                    |                                              |
