

173D336X9015XWE3

Part Number: 173D336X9015XWE3

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP TANT 33UF 15V 10% AXIAL

Data sheet:  173D Series Datasheet

RoHs Status: Lead free / RoHS Compliant

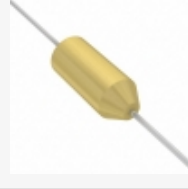

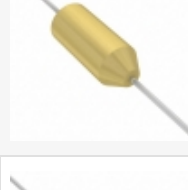

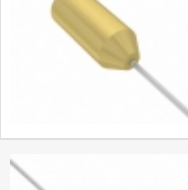

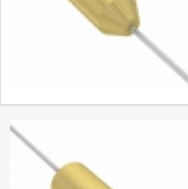

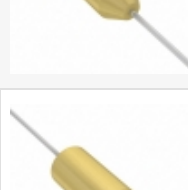

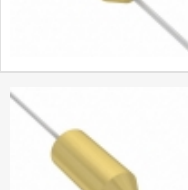

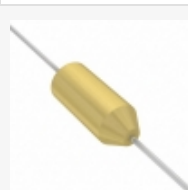

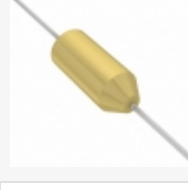

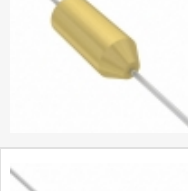

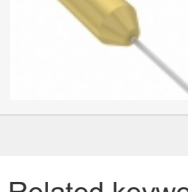

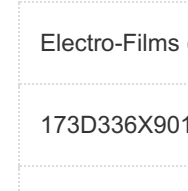

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| ESR (Equivalent Series Resistance)                                                                                                                                                                                                                                                                                                                                                                                                      | -                                        | Detailed Description             | 33µF Molded Tantalum Capacitors 15V Axial |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                             | 33µF                                     |                                  |                                           |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 92180 pieces of Electro-Films (EFI) / Vishay 173D336X9015XWE3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                                          |                                  |                                           |
