

173D475X9035WW

Part Number: 173D475X9035WW

Manufacturer: Electro-Films (EFI) / Vishay

Description: CAP TANT 4.7UF 35V 10% AXIAL

Data sheet:  173D Series Datasheet

RoHs Status: Contains lead / RoHS non-compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | 4.7µF Molded Tantalum Capacitors 35V Axial | Capacitance                        | 4.7µF                                        |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 71578 pieces of Electro-Films (EFI) / Vishay 173D475X9035WW in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                            |                                    |                                              |
