

1808J2000222KFR

Part Number: 1808J2000222KFR

Manufacturer Knowles Syfer

Description CAP CER 2200PF 200V C0G/NP0 1808

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHS Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 2200pF ±10% 200V Ceramic Capacitor C0G, NP0 1808 (4520 Metric) | Capacitance                     | 2200pF                                          |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | High Reliability                                               |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 79049 pieces of Knowles Syfer 1808J2000222KFR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                |                                 |                                                 |
