

1812J0250104JXR

Part Number: 1812J0250104JXR

Manufacturer Knowles Syfer

Description CAP CER 0.1UF 25V X7R 1812

Data sheet:  [MLCC Capacitor Datasheet](#)  
 [MLCC Catalog](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Tolerance                        | ±5%                                                          | Thickness (Max)                 | 0.098" (2.50mm)                                                          |
| Temperature Coefficient          | X7R (2R1)                                                    | Size / Dimension                | 0.177" L x 0.126" W (4.50mm x 3.20mm)                                    |
| Series                           | -                                                            | Ratings                         | -                                                                        |
| Packaging                        | Tape & Reel (TR)                                             | Package / Case                  | 1812 (4532 Metric)                                                       |
| Operating Temperature            | -55°C ~ 125°C                                                | Mounting Type                   | Surface Mount, MLCC                                                      |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                | Manufacturer Standard Lead Time | 8 Weeks                                                                  |
| Lead Style                       | -                                                            | Lead Spacing                    | -                                                                        |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                   | Height - Seated (Max)           | -                                                                        |
| Features                         | -                                                            | Failure Rate                    | -                                                                        |
| Detailed Description             | 0.1μF ±5% 25V Ceramic Capacitor X7R (2R1) 1812 (4532 Metric) | Capacitance                     | 0.1μF                                                                    |
| Applications                     | General Purpose                                              |                                 |                                                                          |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 69886 pieces of Knowles Syfer 1812J0250104JXR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
