

1812J1000273MXTE03

Part Number: 1812J1000273MXTE03

Manufacturer Knowles Syfer

Description CAP CER 0.027UF 100V X7R 1812

Data sheet:  [E03 Type](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                       | 0.027µF ±20% 100V Ceramic Capacitor X7R (2R1) 1812 (4532 Metric) | Capacitance                     | 0.027µF                               |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                               | Bypass, Decoupling                                               |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 58458 pieces of Knowles Syfer 1812J1000273MXTE03 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                  |                                 |                                       |
