

1812J2000153KDR

Part Number: 1812J2000153KDR

Manufacturer Knowles Syfer

Description CAP CER 0.015UF 200V X7R 1812

Data sheet:  [MLCC High Reliability Datasheet](#)

RoHS Status: Lead free / RoHS Compliant

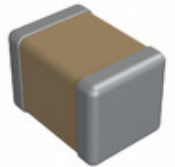

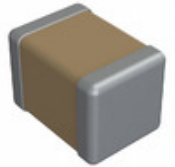

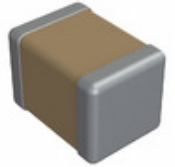

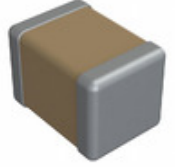

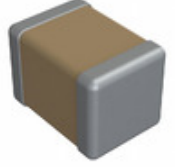

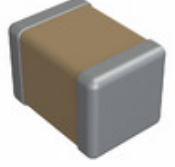

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 0.015µF ±10% 200V Ceramic Capacitor X7R 1812 (4532 Metric) | Capacitance                     | 0.015µF                                         |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | High Reliability                                           |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 65188 pieces of Knowles Syfer 1812J2000153KDR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                            |                                 |                                                 |
