

1812J2500153KCR

Part Number: 1812J2500153KCR

Manufacturer Knowles Syfer

Description CAP CER 0.015UF 250V C0G 1812

Data sheet:  [MLCC Capacitor Datasheet](#)  
 [MLCC Catalog](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 0.015µF ±10% 250V Ceramic Capacitor C0G, NP0 (1B) 1812 (4532 Metric) |                                 | Capacitance 0.015µF                                                      |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | General Purpose                                                      |                                 |                                                                          |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 60481 pieces of Knowles Syfer 1812J2500153KCR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                      |                                 |                                                                          |
