

1812J2K50100KCR

Part Number: 1812J2K50100KCR

Manufacturer Knowles Syfer

Description CAP CER 10PF 2.5KV C0G/NP0 1812

Data sheet:  [MLCC Capacitor Datasheet](#)  
 [MLCC Catalog](#)

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

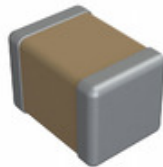

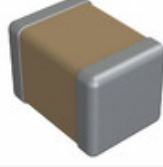

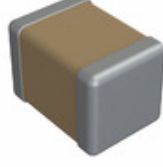

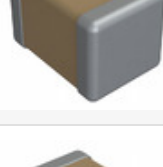

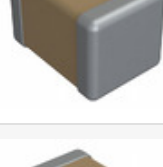

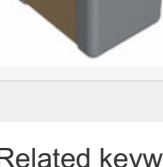

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Category                         | <a href="#">Capacitors</a>                                                 | Voltage - Rated                 | 2500V (2.5kV)                                                            |
| Tolerance                        | ±10%                                                                       | Thickness (Max)                 | 0.098" (2.50mm)                                                          |
| Temperature Coefficient          | C0G, NP0 (1B)                                                              | Size / Dimension                | 0.177" L x 0.126" W (4.50mm x 3.20mm)                                    |
| Series                           | -                                                                          | Ratings                         | -                                                                        |
| Packaging                        | Tape & Reel (TR)                                                           | Package / Case                  | 1812 (4532 Metric)                                                       |
| Operating Temperature            | -55°C ~ 125°C                                                              | Mounting Type                   | Surface Mount, MLCC                                                      |
| Moisture Sensitivity Level (MSL) | 1 (Unlimited)                                                              | Manufacturer Standard Lead Time | 8 Weeks                                                                  |
| Lead Style                       | -                                                                          | Lead Spacing                    | -                                                                        |
| Lead Free Status / RoHS Status   | Lead free / RoHS Compliant                                                 | Height - Seated (Max)           | -                                                                        |
| Features                         | -                                                                          | Failure Rate                    | -                                                                        |
| Detailed Description             | 10pF ±10% 2500V (2.5kV) Ceramic Capacitor C0G, NP0 (1B) 1812 (4532 Metric) | Capacitance                     | 10pF                                                                     |
| Applications                     | General Purpose                                                            |                                 |                                                                          |

Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 87451 pieces of Knowles Syfer 1812J2K50100KCR in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.
