

1812JA258P20DCTPY2

Part Number: 1812JA258P20DCTPY2

Manufacturer Knowles Syfer

Description CAP CER 8.2PF 250V C0G/NP0 1812

Data sheet:  MLCC Safety Certified

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                       | 8.2pF ±0.5pF 250V Ceramic Capacitor C0G, NP0 (1B) 1812 (4532 Metric) | Capacitance                     | 8.2pF                                 |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                               | Safety                                                               |                                 |                                       |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 90504 pieces of Knowles Syfer 1812JA258P20DCTPY2 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                                      |                                 |                                       |
