

1812Y0500103GFT

Part Number:

1812Y0500103GFT

Manufacturer:

Knowles Syfer

Description:

CAP CER 10000PF 50V C0G/NP0 1812

Data sheet:

 [MLCC High Reliability Datasheet](#)

RoHS Status:

Lead free / RoHS Compliant

Ship From:

Hong Kong

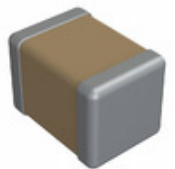

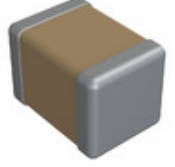

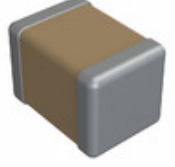

Shipment Way:

DHL/Fedex/TNT/UPS/EMS

| Detailed Description                                                                                                                                                                                                                                                                                                                                                                                                                                    | 10000pF ±2% 50V Ceramic Capacitor C0G, NP0 1812 (4532 Metric) | Capacitance                     | 10000pF                                         |
| Applications                                                                                                                                                                                                                                                                                                                                                                                                                                            | Boardflex Sensitive                                           |                                 |                                                 |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Knowles Syfer series electronic components. We have 35989 pieces of Knowles Syfer 1812Y0500103GFT in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: <a href="mailto:info@Components-World.com">info@Components-World.com</a> |                                                               |                                 |                                                 |
