

199D226X9025D1V1E3

Part Number: 199D226X9025D1V1E3

Manufacturer Electro-Films (EFI) / Vishay

Description CAP TANT 22UF 25V 10% RADIAL

Data sheet:  199D TANTALEX™ Series, Radial-Lead

RoHs Status: Lead free / RoHS Compliant

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

| ESR (Equivalent Series Resistance)                                                                                                                                                                                                                                                                                                                                                                                                        | -                            | Detailed Description             | 22µF Conformal Coated Tantalum Capacitors 25V Radial |
| Capacitance                                                                                                                                                                                                                                                                                                                                                                                                                               | 22µF                         |                                  |                                                      |
| Component-World.com is a Reliable Stocking Distributor of Electronic Components. We specialize in all Electro-Films (EFI) / Vishay series electronic components. We have 56049 pieces of Electro-Films (EFI) / Vishay 199D226X9025D1V1E3 in stock available now. Request a quote from electronics components distributor at Component-World.com, our sales team will contact you within 24 hours.<br>RFQ Email: info@Components-World.com |                              |                                  |                                                      |
